Instructor 2

Price: $300.00

Short Description
NFPA Definitions of Certification Levels

Instructor II: A fire service instructor who, in addition to meeting Instructor I qualifications, has demonstrated the knowledge and ability to develop individual lesson plans for a specific topic including learning objectives, instructional technology tools, and evaluation instruments; schedule training sessions based on overall training plan of authority having jurisdiction; and supervise and coordinate the activities of other instructors.

A Fire Instructor II is a fire service instructor who, in addition to meeting Instructor I qualifications, has demonstrated the knowledge and ability to:

• Develop individual lesson plans for a specific topic including learning objectives, instructional aids, and evaluation instruments

• Schedule training sessions based on overall training plan of the authority having jurisdiction (AHJ)

• Supervise and coordinate the activities of other instructors
